Lutheran Church and School

Lobethal Playgroup

Providing a safe and
Positive
environment for all

Playgroup is organised by a team of volunteers.

Children are not to be dropped off and require supervision by a carer at all times.

Playgroup is an important social skill for children of all ages.

Our activities cater for children from birth to 5 years.

Volunteers appreciate assistance with all activities to ensure a joyful time for all.

Various craft, sensory and other activities will be organised by the team for all children.
