20 July 2021

In response to COVID-19 in SA

Do not grieve, for the joy of the Lord is your strength (Nehemiah 8:10)

On Tuesday, 20 July 2021, the Premier announced that from 6:00 pm tonight, the state will enter a seven (7) day lockdown.

Worship at Lobethal will be suspended for Sunday, 25 July 2021.

For those who have access to the internet, please access if you wish the services currently available online (Melissa will list those resources in the bulletin for you on Friday). We will also be updating our webpage and Facebook page with Pastor Joe's sermon and some worship and other resources you may access during this time. For those who do not have access to the internet, Pastor Joe's sermon and some worship material will be available on the radio via Radio FM 88.

Again, please stay safe and well, look after your families and support each other in your community via phone, social media and most importantly, prayer. We pray that this outbreak may be contained quickly without impacting seriously on those infected, and also that it may cause only a brief interruption to our worship life.

A further update will follow as more is known of this event.

Blessings,
